MIDLAND® NEW CB Radios and Walkie-Talkie

Whether you are working in the field or on the road, these CB radios are designed to keep you connected and informed no matter where your work takes you. From the compact and versatile Midland 88 to the feature-packed Midland 42 DS, there's a perfect Midland CB radio for every need. This lineup of rugged, reliable, and feature-packed CB radios is designed to withstand the demanding conditions of agricultural work, ensuring seamless communication and enhanced safety for you and your team.

CB radio (DIN fit/ Suction cup)

[VLC5810](#)

The versatile CB radio is compatible with all DIN compartments, or can attach to the windscreen with the suction cup making it perfect for fitting in any agricultural vehicle. With a large multicolour TFT/LCD display, filters to eliminate unwanted noise, and a universal power socket (12/24 V), the Midland 88 is designed to keep you connected and informed while working in challenging environments.

Includes:

- Midland 88 CB radio
- Microphone with clip
- Mounting bracket c/w screws
- Protection fuse
- Suction cup for dash or glass mounting
- DIN bracket

[VLC5811](#) CB radio (Cigarette lighter)

The compact and easy-to-install M-Mini USB is ideal for tractors and other agricultural vehicles. This 40-channel CB radio can be powered by the cigarette lighter outlet, and its front USB socket allows you to recharge your devices on the go. The aluminium chassis ensures durability and resistance to vibrations and movement.

Includes:

- M-Mini USB CB unit.
- Microphone c/w up/down keys.
- Power lead with cigarette lighter plug.
- Mounting bracket c/w screws.

NEW

[VLC5809](#) CB radio (Hand-held/ portable)

For those who need a portable communication solution, this handheld CB is the perfect choice. With over 400 channels and the ability to operate in all EU countries, this multi standard transceiver ensures you stay connected wherever your work takes you. With Digital Squelch (Auto Squelch) any squelch is adjusted automatically, avoiding the use of manual adjustment.

The included car kit allows you to pair the device with a vehicle antenna for extended range. Powered by 6 x AA batteries, or a rechargeable 8 x AA battery pack (batteries are not included)

Includes:

- Alan 42 DS CB radio
- Empty Battery pack for 6 AA batteries
- Empty Rechargeable battery for 8 AA rechargeable batteries and wall charger
- Car adaptor fitted with external SO 239 antenna socket
- Scratch resistant case
- Antenna
- Belt clip and wrist strap
