VLC6215

12 months

Texpack software updates
& Tex@info support subscriptions

VLC6216

36 months

Texpack software updates
& Tex@info support subscriptions

Pack includes:

- Axone Voice 13.3in multi-touch screen, voice activated tablet *
- Axone Voice adjustable handle
- TXT Multi-hub VCI
- IDC6 – Premium OHW software (Ag + Construction)
- Durable Carry Case
- VLC5926 - Power Supply & Adapter Kit for TXTs Ag & Truck
- VLC5951 - Deutsch 9 pin adaptor
- Additional cables can be purchased separately

*It is equipped with a 13.3" capacitive screen with 2560x1600 resolution, protected by a robust Gorilla Glass. On its insides, the Windows 10 Enterprise operating system is powered by an Intel® Core i5 processor with 16 GB RAM and 512 GB storage.

The connectivity, another essential element for a display unit like AXONE VOICE, is possible thanks to an advanced dual-channel Wi-Fi system and to a Bluetooth® 5.1 module. Furthermore, the tool has two 8 MP cameras, useful to obtain detailed customer reports or send technical photos to the assistance service.

New Product Update & Parts Information

Bulletin	UK	Export	Issued
1507	YES	NO	30/04/2025

Vapormatic recently visited Bicton Agricultural College to give students the opportunity to test the latest Texa diagnostic unit with IDC6 software.

“ We use Texa diagnostics for student training. It allows us the flexibility to show vehicle diagnostics across multiple platforms, with its intuitive design and easy to understand graphical interfaces the Texa unit fits in perfectly with our ever-increasing diagnostic training. ”

Chris Mitchel – Apprenticeship Programme Manager

“ We service and repair Cars, Trucks & Off-Highway vehicles. I use Texa diagnostics due to its flexibility and low running costs. I am continually impressed with its coverage, recently I was able to program a Case Skid Steer high-pressure fuel pump metering valve. Our other diagnostic unit couldn't do this. The graphical user interface for the engine intake and exhaust systems are particularly impressive and easy to interpret. ”

Matt – M Rose Engineering LTD

Also Available – Selection of Air Conditioning Recovery Systems

Air Conditioning Servicing Units - 1 year Texa Warranty

Take a look at our new Texa service stations. These units have been designed to cope with large systems. All units have a 1 year warranty.

VPM8887

Texa Konfort 705R (Off-Road) Touch Air-conditioning service station with start-up pack

Designed especially for outdoor use. Start-up pack includes:

- 6kg R134a refrigerant, AC safety gloves, safety goggles & 5x paper rolls
- Two oversized wheels filled with anti-puncture foam
- Front solid metal bar to increase stability
- Scale locking system avoids possible de-calibration problems due to sudden jolts on uneven ground
- 10kg recovery tank for everyday jobs
- Weight: 75kg

Quality

- Airtight oil bottles
- Fully automatic service management
- Scale locking/unlocking device
- Refrigerant weight accuracy check

Ease of Use

- Minimal steps and 'Smart' selection by model
- After sales assistance

Reporting

- Many connection modes available through WiFi, Bluetooth, USB and thermal printer paper reporting
